

Marcel Naas

Eurex Repo

Marcel Naas is Managing Director of Eurex Repo since 1999 and Managing Director of Eurex Bonds since 2006.

Marcel has more than 20 years experience in the area of funding and financing.

Prior to Eurex, he spent 2 years as a senior business consultant at a start-up company for financial solutions, where he was in charge of the strategic product development.

At UBS, he worked in the treasury trading department as deputy head of money market, responsible for global interest rate risk management, cross product trading and balance sheet optimisation by proactive A&L management.

He attended the Senior Executive Program at Stanford University, CA in 2005.
