

Pascal Morosini

Clearstream Banking

Pascal Morosini is Executive Director, Global Head of GSF & Broker Dealer Sales and Relationship Management, and in charge of selling Global Securities Financing services to all Clearstream's clients. Global Securities Financing services include, triparty collateral management, triparty Repo, triparty security lending, securities lending and borrowing services.

Pascal Morosini joined the Cedel Group in 1994, starting in Operations to deal with collateral valuation. In 1997, he moved to the triparty Repo operations department of Cedelbank. In 1999, Pascal joined Clearstream Banking's Customer Relations Department as a Global Securities Financing Sales Specialist. In March 2003, Pascal joined the Clearstream Banking's Origination team in charge of selling all services of the company to Continental European clients.

In January 2007, he became Head of GSF Sales and Relationship, and in September 2010 he became Global Head of GSF & Broker Dealer Sales and Relationship management, a section composed of 16 GSF & Broker Dealer sales and relationship experts, spread over Europe and Asia.
