

## Stefan Lepp

### Clearstream Banking AG

Stefan Lepp is Chief Executive Officer of Clearstream Banking AG, Member of the Executive Board of Clearstream Banking International as well as Head of Global Securities Financing (GSF), with business responsibility for GSF Sales and Relationship Management, Product Design, Product Management and Strategy.

Prior to moving to Clearstream in 2004, Stefan was responsible for Sales and Relationship, Product Management and Marketing functions within Dresdner Bank's Custody arm, which he joined in 1997.

Stefan has over 20 years industry experience having begun his career at Zürcher Kantonalbank in Switzerland, where he held a number of management positions in the securities post-trade environment. During this period and in line with a strategic partnership, he was also delegated to Citibank, New York, as a Relationship Manager for European clients.

Stefan holds a degree in economics (KLZ, Zurich).
