

## Physical deposits and withdrawals of legacy bonds of the Republic of Argentina and the Province of Buenos Aires (BA)

To ensure that deposits and withdrawals are settled in a timely manner, customers are requested to submit such instructions by 15 December 2008. Failure to do so will result in Clearstream Banking<sup>1</sup> not being able to submit the instructions which will then be returned to the sender.

Please refer to our circulars D074 dated 22 December 2006, D011 dated 9 March 2007 and D071 dated 21 November 2007 for the requirements, terms and conditions applying to deposits of physical securities after the above date. The following adjusted deadlines shall apply for submitting the submission confirmation:

- It must be proven that securities were submitted and payment was demanded prior to 1 January 2007 for all certificated entitlements due in 2002;
- It must be proven that securities were submitted and payment was demanded prior to 1 January 2008 for all certificated entitlements due in 2003;
- must be proven that securities were submitted and payment was demanded prior to 1 January 2009 for all certificated entitlements due in 2004;

The above deadlines shall apply correspondingly to a document issued by the court that shows that a complaint for amounts payable under the certificate was filed in due time.

Note: Clearstream Banking draws your attention to the fact that it might under certain circumstances request that additional proof be furnished where securities are delivered subsequently. It therefore reserves the right to reject individual deposits if this serves to maintain the integrity of the relevant collective holdings, or if it considers it necessary for organisational reasons.

---
