

Disclaimer

This Quick Tax Reference Matrix is intended as a high-level overview of applicable tax rates and documents to be submitted by Clearstream¹ clients that use the Creation platform to Clearstream for obtaining relief at source from, or by refund of, taxes applied at source to securities deposited in Clearstream. It is not designed to give comprehensive information concerning all taxation issues relating to securities held with Clearstream, including those mentioned in this document, nor to give exhaustive information on tax relief available by virtue of domestic or international law. It does not constitute legal or tax advice. Clearstream believes the information provided in this Quick Tax Reference Matrix to be correct at the time of publication, but disclaims responsibility as to the accuracy and completeness of the information.

Note: Clients must refer to the following sources of information in the order indicated to obtain complete information and to obtain copies of most of the documents that are mentioned in this Quick Tax Reference Matrix:

1. Market Taxation Guide;
2. Clearstream Announcements;
3. Client Service Tax Help Desk.

The Quick Tax Reference Matrix is currently applicable for clients using the Creation platform only.

Average refund time

The estimated time for receiving a refund can vary depending on the time that the application is filed and the complexity of the information supplied in the reclaim form. Clearstream has collected the information published in the “Average refund time” column of the Quick Tax Reference Matrix from sources considered reliable but does not guarantee the accuracy of the timings presented.
