As central clearing account is to be set up⁵

☐ The account we
supplementary applied for

Account number and/or stock exchange location

☐ Our already existing account

Account number

☐ The following account

Account number

owned by institution⁶

Institution

1. T2S Auto-Collateralisation can only be used if the cash accounts configuration allows it.

2. Information can be found in the "Client accounts" section of the CEU Client Handbook on our website www.clearstream.com.

3. T2S Auto-Collateralisation is not possible for a Reg-über securities account.

4. Please refer to the section "Stock exchange trades" of the CEU Client Handbook available on our website www.clearstream.com.

5. Only to be completed if you intend to settle stock exchange trades following the third-party account procedure.

6. If you name a different institution as head office (Reg-über), please supply legally binding evidence of its consent in any form you may choose.

Usage for assets⁷

(please select the appropriate category)

☐ For proprietary assets☐ For third-party assets – Segregated⁸:

For segregated third-party assets, please indicate the details of the underlying client (to be recorded in the CEU business partner register):

Underlying client name

Country☐ For third-party assets – Omnibus⁹:

The Omnibus account is used to co-mingle the interests of several underlying clients with no single entity/individual having a predominant and continuing interest in the assets portfolio.

T2S Auto-Collateralisation (T2S Auto-Coll) Service

(Please configure the service on the T2S platform.)

In order to be able to use this service:

- The use of the T2S Auto-Coll Service at the national central bank (NCB) must be requested.
- The BIC of each Collateral Providing Account must be added to the Primary Credit Memorandum Balance (CMB) of the corresponding DCA¹⁰.
- An individual minimum amount for T2S Auto-Coll instructions can be specified at the national central bank (NCB).

☐ T2S Auto-Coll Service is requested.

To set up the T2S Auto-Coll Service on the T2S platform, the account must be earmarked. Please select one of the following earmarking options:

☐ EXXX (T2S Auto-Coll Service for all currencies – recommended)☐ EEUR (T2S Auto-Coll Service for Euro only – cannot be used if the account will also serve as a Collateral Providing Account for T2S Client-Collateralisation)

In order to enable the T2S Auto-Coll Service, please enter the DCA for the main account:

DCA reference

NCB acting as T2S Auto-Coll Receiver (DE, AT, FR etc.)☐ T2S Auto-Coll Service is not requested.

This service can be configured at any time in the future. If requested, a transformation procedure involving the T2S Actors applies.

Free of Payment Matching¹¹

(If the T2S Auto-Coll Service is requested, only active matching is possible.)

These selections are also valid for all special-purpose sub-accounts with matching duty, which are automatically opened allocated to your main account. Please answer for both retail and wholesale business:

Retail: ☐ Active matching (default option) ☐ Passive matchingWholesale: ☐ Active matching (default option) ☐ Passive matching

7. For third-party account procedure (Reg-über) not relevant.

8. Subject to prior approval by CEU.

9. Omnibus accounts for third-party assets are intended to facilitate the operations of professional securities intermediaries. CEU may require disclosure of the identities of any underlying clients having a continuing interest of 25% or more in the value of the assets deposited. In cases where there is such a predominant interest, the assets may be deposited on a separate, segregated client account.

10. Clients can carry out their NCB configuration using the 7100 (for DCPs) / 7150 (for ICPs) forms.

11. Please refer to our website www.clearstream.com under Securities Services / Settlement / Settlement services / [CSD CASCADE FOP matching](#).

Portuguese Tax impact

Every CEU client wishing to settle and hold Portuguese securities with CEU is obliged to request or submit a Portuguese Tax Identification Number (NIF). CEU client accounts for which no NIF has been submitted will be blocked from settlement of Portuguese securities and settlement instructions will be rejected. To request a NIF or to submit existing NIF, clients must follow the procedure described in the publication [Requesting/confirming a NIF](#). If you need help completing the mandatory [Portuguese TIN \(NIF\) allocation or registration request template](#), please contact the Tax Helpdesk (tax@clearstream.com).

Allocation of 6-series accounts¹²

(Indication of accounts for settlement of securities instructions and for cash clearing on Creation)

We request the allocation of the following 6-series accounts for the business case:

- ☐ Cash clearing of OTC and non-CCP stock exchange transactions in a currency not supported on T2S

- ☐ Corporate action with payment in a currency not supported on T2S

- ☐ Corporate action in stocks resulting in a not T2S eligible security

Confirmation of a third-party 6-series account by the correspondent bank

If the account holder does not have a 6-series account and wishes to use a 6-series account of a correspondent bank, a third-party account can be assigned. This 6-series account must be confirmed through signature of the correspondent bank.

We agree that the processing of the above-mentioned business case can be performed in the requested way via our 6-series account.
