Clearstream¹ account: _____ (the "Account")

We, the undersigned client of Clearstream may hold from time to time in our Account Canadian equities and trust instruments (the "Securities").

For the purposes of ensuring that we are eligible to hold and obtain relief at source or quick refund on income payments on the Securities in the Account, we hereby certify, represent and warrant to Clearstream that:

1. We are not the beneficial owner of any such Securities that we may hold from time to time in the Account; and
2. (tick **one** box only and complete as appropriate.)

☐

- A. We hold the Securities exclusively for beneficial owner(s) who are entitled to application of withholding tax at the following reduced rate(s), according to the Double Taxation Treaty (DTT) between Canada and the country of tax residence of the beneficial owner(s):

Dividend payments: _____ %

Trust income: _____ %

We certify that the beneficial owner(s) qualify as non-resident per Canadian Revenue Agency (CRA) Form NR301 and acknowledge that the stated reduced DTT rate(s) will be applied for taxable Canadian dividend and trust income payments made on our Account.

We further certify that we have received confirmation, including a valid CRA Form NR301 from each beneficial owner for whom we are acting as intermediary, that each portion of the income from such property is solely for the beneficial ownership of person(s) resident in, and eligible to claim treaty reduction benefits under a tax treaty with, a country that provides for the Canadian withholding tax rate specified above on the amounts paid or credited in respect of such property.

We acknowledge that the CRA Forms NR301 must be provided promptly to Clearstream upon request at any time and that it remains solely our responsibility, at all relevant times, to monitor the expiration of each such Form NR301 and either to obtain renewals of such Forms or, immediately on expiration of such Forms, to provide instructions to have the correct applicable Canadian withholding tax deducted and that Clearstream has no responsibility or liability in this regard.

B. We hold the Securities for several beneficial owners who may be subject to different tax rates.

We hereby acknowledge that, for the purposes of obtaining the appropriate reduced rates or exemption on a portion or portions of the income to be paid or credited on the property in the Account, we must submit to Clearstream, in addition to this One-Time Certificate and no later than the deadlines prescribed by Clearstream:

- For beneficial owner(s) that are entitled to application of withholding tax at a reduced rate, according to the DTT between Canada and the country of tax residence of the beneficial owner(s):

A per-payment Breakdown of Holdings, via Swift or other agreed authenticated means of communication, confirming the quantity of the Securities held and the tax rates to be applied.

We further certify that, where we instruct Clearstream to apply tax at a reduced rate according to a DTT, the beneficial owner(s) qualify as non-resident per CRA Form NR301 and that we have received confirmation, including a valid CRA Form NR301 from each beneficial owner for whom we are acting as intermediary, that each portion of the income from such property is solely for the beneficial ownership of person(s) resident in, and eligible to claim tax reduction benefits under a tax treaty with, a country that provides for the Canadian withholding tax rate specified in our per-payment Breakdown of Holdings on the amounts paid or credited in respect of such property.

We acknowledge that the CRA Forms NR301 must be provided promptly to Clearstream upon request at any time and that it remains solely our responsibility, at all relevant times, to monitor the expiration of each such Form NR301 and either to obtain renewals of all such Forms NR301 or, immediately on expiration of such Forms NR301, to provide instructions to have the correct applicable Canadian withholding tax deducted and that Clearstream has no responsibility or liability in this regard.

- For beneficial owner(s) that are recognised as non-resident tax-exempt for the purposes of withholding tax on dividend payments on Canadian equities by the CRA:

A per-payment Breakdown of Holdings, per beneficial owner, via Swift or other agreed authenticated means of communication, confirming the quantity of the Securities held and including the full name of the beneficial owner for whom tax exemption is sought and the tax rates to be applied; and

A Withholding Tax Exemption Letter (each, a "Letter"), issued by the CRA, that is valid for the pay date with respect to all income for which such exemption is claimed.

We acknowledge that it remains solely our responsibility, at all relevant times, to monitor the expiration of each such Letter and either to obtain renewals of all such Letters or, immediately on expiration of such Letters, to provide instructions to have the correct applicable Canadian withholding tax deducted and that Clearstream has no responsibility or liability in this regard.
