To link the DCAs with the Securities Accounts (SACs), please enter the respective account number in the left column and the CEU DCA reference on its right.

You can link DCAs for which you are not the owner.

In this case, you have to ask the account owner for the CEU DCA Reference number.

These links must be authorised by Deutsche Bundesbank or the corresponding national bank.

Please send a copy of the form [7100 \(for DCPs\)](#) and [7150 \(for ICPs\)](#) to our email address [cbfaccountadmin@clearstream.com](mailto:cbfaccountadmin@clearstream.com).

**Note:** For each CEU sub-account (example: 1234-001), exactly one DCA must be defined for cash bookings from corporate actions. For each CEU account (Example: 1234-XXX) only one DCA can be selected as default.

**Note:** According to the European Regulation on Central Securities Depositories ("CSDR"), CEU will process fails penalties payments on a monthly basis. Clients that are CSDs may define a T2S Dedicated Cash Account (DCA) for EUR penalties payments other than the default DCA.

1. If a securities instruction does not contain a DCA, T2S uses this default DCA link for cash settlement.

2. This link for custody event payments is used by CEU for all cash bookings from corporate actions, compensation as well as tax credits and debits. Only valid for EUR not DKK.

3. This link is used by CEU for cash bookings from the main paying agent (MPA) function.

Each of the three options must be set exactly once per securities account. Exception: If there is no separate link for cash bookings from the main paying agent function, CEU also uses the link for principal payments.

Penalty payments

- ☐ Yes, the default T2S Dedicated Cash Account (DCA) shall be used for EUR penalties payments.
- ☐ No, a DCA other than the default DCA shall be used for EUR penalties payments.
