1. This simplifies on-line access to multiple Vestima participants, and requires special arrangement with the MIP.
2. One Account service allows clients to trade VestimaPRIME (alternative) funds in addition to Vestima+ (mutual) funds.
3. Cash Sweep service only available to OI Cash Correspondent Bank Network.
4. Maximum 35 characters.
5. Only to be specified if different to the securities account.
6. Choose whether Vestima shall generate settlement instructions.
7. Choose whether Vestima shall immediately reject a redemption or switch-from if it fails provision checking, if not then such an order will be placed in a queue and retested for a period of one week (five Business Days).
8. Please provide additional documentation if the regular connectivity option does not apply to all OI participants.
9. Any reports provided by MIP are for the OI's exclusive use and the OI shall keep such reports confidential. The OI may disclose the reports if required by law or regulation provided that the OI will notify MIP as soon as possible and practicable of such disclosure. The OI may only transfer the reports to its employees, advisers, affiliates, agents and/or service providers when such transfer is required for the OI's benefit on a need to know basis to the extent the transferee is bound by law, regulation or contract to keep such reports confidential. Disclosure of the reports, other than as permitted herein, may only be made with the express written permission of the respective MIP.
10. Report retrieval using File Transfer is offered as a supplement and internet browser retrieval is always possible.
11. Please see the CFCL Client Handbook regarding disclosure conditions for VestimaTRACK as well as the VestimaTRACK User Guide.
12. Mapping between the reported sub-accounts and the OI's portfolio IDs is to be provided in additional documentation. A portfolio id can be shared across multiple sub-accounts.
13. Only applicable when no account breakdown is required, and each securities account is referenced by a single OI portfolio id.
14. By default, the registrar monitoring reporting covers the TAs related to holdings on the OI's securities account at CFCL as identified in the Portfolio section of this SAF. For other requirements, please provide additional documentation.
15. Reports cover settled holdings respectively transactions at the close of business of the last day of the period, with a daily granularity.
16. Separated reports for Vestima and VestimaPRIME funds.
17. Aggregates Vestima and VestimaPRIME funds in one report.
18. Please provide a Power of Attorney if the OI is not the owner of the account.
