Three-Points-Declaration („Drei-Punkte-Erklärung“)

Dear Sirs,

With reference to the Circular 8/2015 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), we herewith represent that:

1. We have taken due note that the securities, which we at present credit or which we shall in future credit in the securities safekeeping accounts kept for Clearstream Banking AG, belong to the customers of Clearstream Banking AG. These accounts shall be designated "customers' account(s)".

2. With respect to the securities credited in these accounts, we may assert any security interest, lien, right of retention or any similar rights over these securities only for claims which arise from the purchase, administration and safe custody of these securities. We shall inform Clearstream Banking AG immediately if a third party levies any attachment upon or takes any other measures of compulsory execution in respect of these securities or of any other events which affect the securities.

3. Securities issued in NBB-SSS in dematerialized form are solely represented by book-entry records in the accounts of our participants. Securities immobilized with NBB-SSS and represented by global or definitive certificates are kept in safe custody either in our own vaults or by our depositary banks in their own vaults in their home country in safekeeping accounts designated in our name. Under the respective depositary agreements, such depositary banks are not entitled, without specific approval, to entrust a third party in and outside their home country with the safe custody of such securities or to transfer them to another country.

Furthermore, we shall ensure by adequate agreement with our depositary banks that this Three-Point-Declaration shall be applicable for our depositary banks
accordingly and that the depository banks shall be obliged to commit third parties entrusted with the effective safe custody accordingly as well.

For the securities deposited by NBB-SSS with a foreign Central Securities Depository, we ensure that a similar asset protection regime applies to the sub-deposited assets.

Yours sincerely,

Dear Mr Hariga,

As per your request, please note that:

1) Euroclear Belgium ("EBE") does not hold title to the securities recorded in the accounts opened in its books in the name of the credit institutions you represent and that are clients of EBE. EBE enables its clients, upon their request, to segregate the assets they hold on behalf of their own customers from their proprietary assets in sub-accounts.

2) With respect to the securities credited in such sub-accounts, EBE may assert any security interest lien, right of retention or any similar rights only for such claims as may arise from the purchase, administration and safe custody of these securities. Besides, attachment by garnishment of the accounts opened with EBE is prohibited.

3) EBE maintains vaults and has direct custody over the bearer form securities deposited with it by its clients. EBE is also designated as settlement institution - head of pyramid in the meaning of the Belgian Dematerialisation Act for the Belgian dematerialised securities. All clients' assets are held in the same safekeeping conditions within the vaults or through the link EBE maintains with Euroclear Bank SA/NV, which has a similar asset protection regime as EBE.

Should there be any discrepancy between this letter and the ESES contractual documentation, this confirmation shall constitute the legally valid and binding agreement between EBE and the credit institutions having an account opened in the books of EBE in connection with the ESES Belgium system.

Sincerely yours,

Dear Sirs,

With reference to the circular 06-2010 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin), we herewith represent that:

Each of these accounts shall be designated "customers' account".

2. With respect to the securities credited in these accounts, we do not assert any security interest, lien, right of retention or any similar rights over these securities, hereunder claims which may arise from administration and safe custody of these securities. Three-Points-Declaration („Drei-Punkte-Erklärung“)

Dear Sirs,

With reference to the Circular 8/2015 issued by the Bundesanstalt für Finanzdienstleistungsaufsicht [BaFin], we herewith represent that:

1. We have taken due note that the securities, which we at present credit or which we shall in future credit in the securities safekeeping accounts kept for Clearstream Banking AG, belong to the customers of Clearstream Banking AG. These accounts shall be designated "customers' account(s)".

2. With respect to the securities credited in these accounts, we may assert any security interest, lien, right of retention or any similar rights over these securities only for claims which arise from the purchase, administration and safe custody of these securities. We shall inform Clearstream Banking AG immediately if in spite of the protection afforded by Luxembourg Law, a third party levies any attachment upon or takes any other measures of compulsory execution in respect of these securities or of any other events which affect the securities.

The securities are kept in safe custody for us by our depositary banks in their own vaults or in book entry form in their home country in safekeeping accounts designated in the name of Clearstream Banking, société anonyme, incorporated in Luxembourg.

Under the respective depositary agreements, such depositary banks are not entitled, without specific approval, to entrust a third party in and
outside their home country with the safe custody of such securities or to transfer them to another country.

The code list that we publish and send out to our account holders indicates which securities are held by which depositary bank. Any changes in a depositary bank will be reflected in the code list without delay.

Furthermore we shall ensure by adequate agreement with our depositary banks that the Three-Point-Declaration shall be applicable for our depositary banks accordingly and that the depositary banks shall be obliged to commit third parties entrusted with the effective safe custody accordingly as well.

In case of conflict with articles 13, 43 and 44 of Clearstream Banking S.A.'s General Terms and conditions, the above three representations, which are specifically made to Clearstream Banking AG's safekeeping accounts with Clearstream Banking S.A., shall prevail.

Yours sincerely,

Three-Points-Declaration

We refer to the circular 06-2010 that the Bundesanstalt für Finanzdienstleistungsaufsicht (BaFin) has published and herewith represent that:

1) Euroclear Finland Ltd acts as the sole central securities depository in Finland, license granted by the Ministry of Finance in accordance with the Finnish law (Act on the Book-Entry System 826/1991 as amended). All book-entry accounts are operated by account operators, licensed by us, on behalf of and in the name of the account holder(s) in question.

2) We as a central securities depository do not assert any security interest, lien, right of retention or any similar rights over book-entries held on accounts with us.

3) All securities issued with us are in dematerialised form and solely represented by book-entry records in individual accounts. Securities that are transferred to us from a foreign central securities depository are held in a segregated securities account in our name with the foreign depository.

Yours sincerely,

Heikki Ylipekkala
Head of Commercial
Euroclear Finland
Dear Mr Ludo HARIGA,

As per your request, please note that:

1) Euroclear France ("EF") does not hold title to the securities recorded in the accounts opened in its books in the name of the credit institutions you represent and that are clients of EF. Under French law, ownership rights are not materialised at the level of the central securities depository but at the level of its clients, i.e. the custodians (Teneurs de Compte Conservateur). Upon their request, EF enables the custodians to segregate their proprietary assets from the ones of their own customers in sub-accounts.

2) Since no ownership right is materialised at the level of the accounts maintained by EF, no interest lien, right of retention or similar rights is possible. Besides, attachment of the accounts maintained by EF is prohibited.

3) Securities issued in France are dematerialised and are solely represented by book-entry records in the accounts maintained in EF. EF maintains vaults for foreign securities, e.g. for some African securities. Such physical securities are recorded into accounts maintained by EF and the transfers of ownership rights on the securities are effected by book-entry records.

For the securities deposited with a foreign CSD with which EF has a link, EF ensures that a similar asset protection regime applies to the sub-deposited assets.

Should there be any discrepancy between this letter and the ESES contractual documentation, this confirmation shall constitute the legally valid and binding agreement between EF and the credit institutions having an account opened in the books of EF in connection with the ESES France system.
