The entries on these lines and the two checkboxes must only be completed by Citibank, N.A. and so must be left blank by the Clearstream Banking customer and the registered owner.

Complete this line with the name of the organisation being granted power of attorney. You must enter "Citibank, N.A." here. This renders the power non-negotiable until Citibank, N.A. releases it.

The registered owner executing the power of attorney completes the date and signs here. This must be the same person who signs the transfer section of the physical security certificate and who is named as an Assigning Officer on the accompanying Corporate Resolution.

The authorised signatory of the Clearstream Banking customer signs above "official signature" to authenticate the signature of the registered owner.

Enter the name of the Clearstream Banking customer here.

Clearstream Banking will authenticate and guarantee this customer's signature. Citibank will then perform the Medallion Guarantee.
