Country

For third-party assets – Omnibus⁹:

The Omnibus account is used to co-mingle the interests of several underlying clients with no single entity/individual having a predominant and continuing interest in the assets portfolio.

Delivery versus payments (DvP)¹⁰

We wish to participate with the requested account in DvP.¹¹

(please specify the details within the form "Application for Cash Clearing via TARGET2")

We do **not** wish to participate with the requested account in DvP¹².

T2S Auto-Collateralisation (T2S Auto-Coll) Service

(Please configure the service on the T2S platform.)

In order to be able to use this service:

- The use of the T2S Auto-Coll Service at the national central bank (NCB) must be requested.
- The BIC of each Collateral Providing Account must be added to the Primary Credit Memorandum Balance (CMB) of the corresponding DCA¹³.
- An individual minimum amount for T2S Auto-Coll instructions can be specified at the national central bank (NCB).

T2S Auto-Coll Service is requested.

To set up the T2S Auto-Coll Service on the T2S platform, the account must be earmarked. Please select one of the following earmarking options:

EXXX (T2S Auto-Coll Service for all currencies – recommended)

EEUR (T2S Auto-Coll Service for Euro only – cannot be used if the account will also serve as a Collateral Providing Account for T2S Client-Collateralisation)

In order to enable the T2S Auto-Coll Service, please enter the DCA for the main account:

____ - ____
DCA reference

NCB acting as T2S Auto-Coll Receiver
(DE, AT, FR etc.)

T2S Auto-Coll Service is not requested.

This service can be configured at any time in the future. If requested, a transformation procedure involving the T2S Actors applies.

TEFRA D Rule¹⁴

Strict Procedure (default option)

Flexible Procedure

7. For third-party account procedure (Reg-über) not relevant.

8. Subject to prior approval by CBF.

9. Omnibus accounts for third-party assets are intended to facilitate the operations of professional securities intermediaries. CBF may require disclosure of the identities of any underlying clients having a continuing interest of 25% or more in the value of the assets deposited. In cases where there is such a predominant interest, the assets may be deposited on a separate, segregated client account.

10. Please refer to the Cash Settlement section of the CBF Customer Handbook available on our website www.clearstream.com.

11. DvP is mandatory for T2S Auto-Coll.

12. For the purpose of CBF's CSDR settlement fails penalties processing, a T2S Dedicated Cash Account (DCA) for EUR payments must be maintained (see page 4, section "Settlement fails penalties").

13. Customers can carry out their NCB configuration using the 7100 (for DCPs) / 7150 (for ICPs) forms.

14. Please refer to the section "Settlement of TEFRA D securities" of the CBF Customer Handbook available on our website www.clearstream.com.

Free of Payment Matching¹⁵

(If the T2S Auto-Coll Service is requested, only active matching is possible.)

These selections are also valid for all special-purpose sub-accounts with matching duty, which are automatically opened allocated to your main account.

Please answer for both retail and wholesale business:

Retail: Active matching (default option) Passive matching

Wholesale: Active matching (default option) Passive matching

Portuguese Tax impact

Every CBF customer wishing to settle and hold Portuguese securities with CBF is obliged to request or submit a Portuguese Tax Identification Number (NIF).

CBF customer accounts for which no NIF has been submitted will be blocked from settlement of Portuguese securities and settlement instructions will be rejected.

To request a NIF or to submit existing NIF, customers must follow the procedure described in the publication [Requesting/confirming a NIF](#).

If you need help completing the mandatory [Portuguese TIN \(NIF\) allocation or registration request template](#), please contact the Tax Helpdesk (tax@clearstream.com).

Allocation of CBF-i accounts¹⁶

(Indication of accounts for settlement of securities instructions and for cash clearing on Creation)

We request the allocation of the following CBF-i accounts for the business case:

Cash clearing of OTC and non-CCP stock exchange transactions in a currency not supported on T2S

Corporate action with payment in a currency not supported on T2S

Corporate action in stocks resulting in a not T2S eligible security

Confirmation of a third-party CBF-i account by the correspondent bank

If the account holder does not have a CBF-i account and wishes to use a CBF-i account of a correspondent bank, a third-party account can be assigned. This CBF-i account must be confirmed through signature of the correspondent bank.

We agree that the processing of the above-mentioned business case can be performed in the requested way via our CBF-i account.
