

OneClearstream migration to Greece (BOGS) - customer impacts

Scope of securities relevant for the migration and exceptions

Clearstream Banking¹ will use Clearstream Banking Frankfurt (CBF) as Investor-CSD to access BOGS eligible securities in T2S.

For organisational reasons, no additional migration on OTD+20 will take place. Securities subject to ongoing corporate action events (with key dates around 21 or 24 June 2019) will be migrated from CBL to CBF. Any adjustments required due to ongoing corporate actions will be processed manually on customer accounts by Clearstream Banking.

Customers will be informed around two weeks prior to the initial migration date about the impacted securities. The final list will be provided on the Thursday before the migration.

New depository details

The change of depository will be effective as of settlement date 24 June 2019.

1. Clearstream Banking refers collectively to Clearstream Banking S.A., registered office at 42, avenue John F. Kennedy, L-1855 Luxembourg, and registered with the Luxembourg Trade and Companies Register under number B-9248, and Clearstream Banking AG (for Clearstream Banking AG customers using Creation Accounts), registered office at 61, Mergenthalerallee, 65760 Eschborn, Germany and registered in Register B of the Amtsgericht Frankfurt am Main, Germany under number HRB 7500.

Procedures for domestic counterparties

Customers are requested to inform their local counterparties to use the following details for instructions that settle against Clearstream Banking:

	Migrated securities	Non-migrated securities
Place of settlement	DAKVDEFFXXX	BNGRGRAASS
Delivering/Receiving Agent (DEAG/REAG)	CEDELULLXXX	CEDELULLXXX
SAFE ^a of the DEAG/REAG	Not to be instructed. If instructed, it must be the valid CBL SAC BOGS: DAKV7201105	Not to be instructed. If instructed, it must be the valid CBL SAC BOGS: BNGR1008930211226
Buyer/Seller	BIC11 of the CBL customer	BIC11 of the CBL customer

- a. Although the safekeeping account of Party 1 (REAG/DEAG) is an optional matching field in T2S, if it is present on one instruction only it will only match with instructions instructed by this account. As CBL does not forward its own SAC to the settlement parties, if the customer counterparty instructs the SAFE of REAG/DEAG it must match CBL's SAC in T2S exactly. We encourage customers to ask their counterparties not to include the SAFE of the DEAG/REAG in their instructions (also called securities account of the delivering/receiving party).

Migration impact on customers

Settlement cut-off time Friday 21 June 2019

In order to facilitate the start of the migration process on Friday, 21 June 2019, for securities in scope of this migration iteration, CBL has earlier end of day cut-off deadlines. The Clearstream Banking customer deadlines on Friday, 21 June 2019 are as follows:

- Against payment in EUR: 12:00 CET instead of 15:30 CET.
- Free of payment: 12:00 CET instead of 17:30 CET.

Domestic instructions

Clearstream Banking will proceed with the migration of settled positions to the new depository, CBF, from 12:00 CET on 21 June 2019. No action is required from customers for all domestic instructions that settle before 12:00 CET.

Customer instructions for migrating securities:

- received by Clearstream Banking after the cut-off time of 12:00; or
- that have been sent to Clearstream Banking before the early cut-off time at 12:00, but are not yet released to the domestic market, for example, due to lack of provisioning,

will be sent to the new depository CBF in the course of the migration and may match and settle on a "best efforts" basis.

All pending unmatched domestic instructions will be cancelled by CBL before the start of the migration at 12:00 CET.

For all pending matched domestic instructions, customers must contact their counterparties as early as possible to ensure that these instructions are cancelled by both counterparties by 12:00 CET, as the bilateral cancellation principle applies.

All instructions cancelled before migration must be reinstructed by customers and their counterparties (with the new place of settlement DAKVDEFFXXX) after 14:00 CET.

In order to reduce the number of matched instructions at the time of migration to a minimum, Clearstream Banking will suspend the pre-matching service one week before the migration weekend on the evening of Friday 14 June 2019.

The re-activation of the Instruction Pre-Matching service is scheduled on the evening of Friday 28 June 2019. Customers should be aware that domestic settlement instructions sent for pre-matching purposes only (with field :23G::PREA) will not be forwarded to Citibank Europe plc Greece branch while the Instruction Pre-Matching service is suspended. The Immediate Release Flag service, that triggers immediate provisioning and submission of the instruction to the domestic market, will be available for exceptional use while the Instruction Pre-Matching service is suspended.

Clearstream Banking will keep customers updated about the key milestones of the migration.

Important Note

Customers should advise their counterparties that for new instructions sent to **CBL** after migration and in relation to the migrated securities, the counterparty details (SSI) will change and that counterparties need to instruct against the place of settlement DAKVDEFFXX.

Internal and Bridge instructions

There is no impact on internal and Bridge instructions.
