Other Comments/Justification (if applicable):

We request an adjustment of stamp duty for the following reason (*tick **one** box only and complete as appropriate*):

- No change of beneficial ownership:**

We confirm that there has been no change of beneficial ownership throughout the movement of the securities.

- Market sale:**

The first leg of the transaction is exempt from stamp duty, as the counterparty in the second leg of the transaction accounted for the stamp duty in accordance with the market practice. We enclose herewith the Euroclear Bank transaction reference from the first leg being debited with stamp duty and the Clearstream transaction reference of the delivery of the securities to the counterparty that is accountable for the stamp duty. **Agency exemption:**

Stamp duty was already paid on the first leg of the transaction and the second leg of the transaction is exempt from stamp duty. Furthermore, we confirm that the transaction, on which we are entitled to a refund, did not involve a change of beneficial ownership.

**Stamp duty paid twice:**

We confirm that stamp duty was charged twice. We enclose herewith evidence (either payment confirmation from the Tax Authorities or the relevant cash Euroclear Bank transaction ID of the payment leg including a letter explaining the payment details) that the stamp duty was paid by the transferor to the Revenue Commissioners.
