- cu. **United Kingdom:** For equities, the regular settlement period in CREST is trade date plus two local business days (SD=T+2). The ultimate deadline for an instruction to be considered for settlement is 18:25 SD for receipts and deliveries free of payment and 15:20 SD for receipts and deliveries against payment. However, matching in CREST for instructions to and from members' accounts that are operated under the 0.5% SDRT regime should be performed at the latest by close of business one local business days after the trade date (TD+1).
- cv. **U.S.A.:** Instructions provisioned and released by the above-mentioned times will be affirmed and settled via DTC's ID service provided that the instruction of the counterparty is in place for DTC ID settlement. CBL and Citibank will attempt to accept or to deliver securities that can no longer settle via the ID service through DTC's same-day delivery service (which does not offer the added convenience of prior trade affirmation).
- cw. U.S.A.: This is the input deadline for customers with a positive ID affirmation profile. and the cancellation deadline for customers with a negative ID affirmation profile.
- cx. U.S.A.: Book-entry securities are eligible for back-to-back processing and the Multi-Market Securities service.
- cy. U.S.A.: To ensure timely processing, it is recommended that back-to-back instructions reach CBL by 20:30 on SD-1
- cz. U.S.A.: For free of payment deliveries to CBF and CREST accounts in DTC, the delivery instruction should be received in CBL before the following deadlines for same-day settlement (assuming that the instruction can be handled STP by our depository):
 - For deliveries to CBF account 2000 in DTC: 15:45 CET;
 - For deliveries to CREST account 2012 in DTC: 15:15 CET.
- da. U.S.A.: Against payment deliveries of DTC-eligible securities are now subject to RAD approval, eliminating risk of DK (Don't Know), and deliveries are consequently confirmed intraday.
- db. U.S.A.: Expected settlement results times can vary.
